Class. CHANGED TO: TS S (C)

DDA Memo, 4 Apr 77

Auth: DDA REG. 77/1763

Date: 15 March 1978II. OTHER ACTIVITIESA. Film Production1. Caching Film

The transcript of the new script from a sound tape of this show has been completed, 50 copies of which are now in the process of being dittoed.

At a special showing of the film last Friday, a member of the CI Staff raised a minor technical objection, which will have to be resolved before the film can be released for use by DDP. It is hoped that this question can be satisfactorily resolved this week.

2. Communication Filmsa. Film No. 4 - Secret Writing

C/ISB met with [REDACTED] TES to discuss the comments made by those present at the recent Interlock showings of this film. It has been decided that no picture changes are required. However, [REDACTED] will utilize the comments in revising the instructors' kit, which will become an integral part of the film.

The workprint of this film has been returned to the contractor. The finished projection print will not be available until approximately 1 March, since musical and optical effects have yet to be added.

b. Film No. 5 - Dead Drops

25X1

[redacted] reports that C/CI/RSA and C/FI/OPS have approved the Dead Drop script with various minor corrections.

3. Logistics Film

C/IEB arranged a special showing of the last reel of this film for Mr. Garrison, D/L, who acted as narrator in the film. As a result, it has been decided to re-shoot the scenes in which Mr. Garrison appeared, in an attempt to overcome the obvious impression that he was reading his lines from a teleprompter. Satisfactory progress continues in the editing of this film.

4. Security Film

[redacted] reports that treatment for Part II is being written. It is planned to present the treatment of Part II, along with a first draft script of Part I, to Colonel Edwards, D/S, and [redacted] in the near future.

5. Intelligence Process Film
